

PLANNING MAESTRO

Planning Maestro is a cloud-native platform that delivers a competitive advantage through the ability to easily budget, forecast financial performance, analyze results and share critical information across the business.

Transform Your QuickBooks Online Advanced Data into Actionable Insights

Powerful Budgeting and Forecasting Made Easy

Centage Planning Maestro securely connects with QuickBooks Online Advanced to simplify your budgeting, planning, forecasting, and reporting.

With Planning Maestro you can pull your actual QuickBooks Online Advanced data into variance reports, cash flow and operating expense projections, what-if scenarios, and more.

IDENTIFY PATTERNS & VARIANCES

Compare your current year against your QuickBooks Online actuals from last year.

SIMPLIFY EXPENSE MANAGEMENT

Explore the expenses in your current year budget, drill down for additional detail.

GAIN VISIBILITY INTO CASH FLOW

See your projected month-by-month cash flow based on your current year budget.

SEE ACTIONABLE REPORTS

Securely populate your financial statements using your QuickBooks Online actuals.

PLANNING MAESTRO

streamlines your entire planning process, delivering sophisticated financial intelligence that empowers you to make faster, more informed decisions, so you can react quickly to market changes, take intelligent risks and capitalize on new opportunities.
